Les-Ottomans
HOME DESIGN

LES-OTTOMANS

Each fabric, texture, tone of Les-Ottomans home collection is the result of a choice that defines the uniqueness of a style. East and West blend in the pieces of a collection where pillows, towels, scarves, carpets are declined into a very large proposal, leaving room for personal creativity and taste of each one of us. Les-Ottomas is primarily a fashion proposal that allows everyone to sign in their own way the everyday space through the exoticism of the Bosphorus and the charm of the Turkish baths.

WHO I AM

It all began from my passion and my love for Turkey. This page and the choice of presenting these products are the reflection of many years of travel to the discovery of this country. I decided to share with you some of my Turkish "pleasures", rich, useful, elegant and functional. I hope you will appreciate them as much as I do.

CHEZ DEDE Andrea Ferolla and Daria Reina are a couple in life and in creativity. Authors of "Italian Chic" by Assouline, they have been working as creative directors, designers and communication consultants for the luxury industry for more than 20 years. He draws, she takes pictures. He is Italian, she is french-italian. Together they conceive, they design and they create objects. Eight years ago, together, they created Chez Dede, a brand of exclusive collections of accessories, fashion, art and decor that stand alongside small éditions de charme and collaborations with worldwide luxury brands and selected landmarking hotels. Italian craftsmanship, exquisite materials, nonchalance and esprit de finesse are the distinctive trade marks of the brand.

STORIES OF ITALY is a designers duo based in Milan that realize self-handling pieces connected with traditional Italian craft. Inspiration comes from the great archaeological, historical and cultural heritage of our country. Objects and symbols from a common past read in a contemporary way. The aesthetic is clean in shapes and fresh in colors, while the material focus is on Murano blown glass.
Stories of Italy represents our small contribution to the italian heritage preservation. With our work we try to keep these traditions alive, giving them a place in modernity.
