THEMIS • Z WORLD

Pure lines and sophisticated style. **THEMIS • Z** crafts the perfect balance between refinement and culture, a golden ratio inherent to every object of desire. This lavish duo is the creative concept for the **THEMIS • Z** stand.

Immaculately handcrafted by artisans who have practiced this tradition for generations, our tableware collections are beautifully adorned with hand-painted patterns. Whilst the pottery vases elevate clay to a material of quality and meaning due to the materials strong connected to Greek heritage.

Hand-stitched cushions made of organic silk from Evros in Northern Greece and other breezy fabrics, pottery jugs and cups exceptionally hand-shaped by expert craftsmen and vigorous, bold linen tablecloths that enliven the tabletop lie at the heart of **THEMIS • Z** world. A world dedicated to sustainable and ethical production, while remaining true to elegant Greek aesthetics.
