Immaculately handcrafted by artisans who have practiced this tradition for generations, our tableware collections are beautifully adorned with hand-painted patterns. Whilst the pottery vases elevate clay to a material of quality and meaning due to the materials strong connected to Greek heritage.

Hand-stitched cushions made of organic silk from Evros in Northern Greece and other breezy fabrics, pottery jugs and cups exceptionally hand-shaped by expert craftsmen and vigorous, bold linen tablecloths that enliven the tabletop lie at the heart of **THEMIS • Z** world. A world dedicated to sustainable and ethical production, while remaining true to elegant Greek aesthetics.

Themis Zouganeli designs for the emblematic House of Dior Maison, collections that have been described by the British Press as 'The epitome of Greek chic'

THEMIS·Z is proud to collaborate with Dior Maison in designing capsule collections for the famous house, an important seal of approval from the Dior family of the beautiful and unique patterns that are designed by Themis Zouganeli.

Our founder and designer Themis Zouganeli was asked by the creative director of Dior Maison, Cordelia Castellane to design bespoke patterns for table top with the Dior Signature, which were an immense success and allowed the relationship to flourish.

We are also very proud to also be the producers for the Dior Maison tableware for the collections, a testament the excellent quality of our porcelain and craftsmanship.

A ROYAL CHOICE — HER MAJESTY THE QUEEN CONSORT ENJOYS TEA IN OUR KYMA TEAWARE

In honour of the 75th birthday of Her Majesty The Queen Consort of United Kingdom, a series of official portraits were released by Buckingham Palace to mark the occasion. We are honoured that our **THEMIS•Z** Serenity teaware was chosen by The Queen Consort as her cup of choice at tea time, marking this milestone birthday.

We are beyond proud for the incredible endorsement bestowed upon us and we are very pleased to see The Queen Consort enjoying the **THEMIS•Z** collection so much.
